

## KNOW YOUR RIGHTS

You have the right to

- ❖ Dress the way you want.
- ❖ Agree to have sex with someone and then change your mind at any time.
- ❖ Be treated with respect at all times.
- ❖ Talk honestly about your sexual limits.
- ❖ Stand up for your rights.
- ❖ Take an equal role in your relationships.

No one has the right to pressure or force anyone to have sex - ever.

It doesn't matter if:

- ❖ You paid for dinner or a night out.
- ❖ You've had sex before.
- ❖ Someone agrees to have sex with you, and then changes his or her mind.
- ❖ Someone dresses in a certain way, flirts or comes on to you.
